PROFESSIONAL EXPERIENCE

KING COUNTY (SEATTLE, WA)

Senior Applications Developer .... Jul 2021 – Apr 2022
Journey Applications Developer .... Oct 2019 – Jul 2021
Web Developer .... Jul 2018 – Oct 2019

- Worked projects in conjunction with an agile team to elicit and analyze requirements, develop code bases, configure CI/CD pipelines, write documentation, and track progress in project boards.
- Prepared data analytics dashboards and reports through Power BI and SSRS to streamline a group's data analytics pipeline and reduce delivery cost and time collectively by over 75%.
- Delivered a cloud-based web application that provided a self-service option when registering new legal documents, reducing administrative time for that step from potentially days to minutes.
- Facilitated the purchase and/or roll-out of commercial off-the-shelf software or SaaS products by evaluating the compatibility of the product with the organization's enterprise standards, coordinating integration work, organizing training, preparing communications, and preparing internal and end user documentation.

COMPASS GROUP (REDMOND, WA) - *Cook* .... Sep 2016 – Aug 2017
HB REALTY (SEATTLE, WA) - *Property Manager* .... Oct 2015 – June 2016
MUSHROOM SEO (QUEZON CITY, PHILIPPINES) - *Content Writer* .... Apr 2014 – Mar 2015
